

WNTC To Present Christmas Program

WNTC will broadcast the traditional candlelight Christmas Concert to be presented on Tuesday, December 14, at 8:00 P.M. The concert will be presented in the Potsdam State Teachers' College auditorium.

The program consists of groups of Christmas selections performed by the collegiate singers under the direction of Mr. Elheran. Included in this group are the "Hallelujah Chorus" and several familiar Christmas carols.

Mr. Richard, a PSTC faculty member, will sing two baritone solos titled "Christ Child Asleep" by Hugo Wolfe and "Mighty Lord and King" taken from the "Christmas Oratorical" by Bach.

In addition, several organ selections will be played with Doctor Edward Young at the organ. These selections will include "Kentucky Christmas" by Paxton, "Christmas Pastoral" by Corelli, and "Fugue on a Christmas Carol" by Bach.

WNTC Represented At Regional Meeting

Campus Station WNTC was represented at the regional meeting of the Inter-collegiate Broadcasting System stations last week-end in Rochester by Gene Mueller, Station Manager, and Herman Steinborn, Assistant Station Manager. Also attending the meeting were the representatives of campus stations at Sampson, Champlain, Rochester, Cornell, Bard, R. P. I., Union, St. Lawrence, and Hobart.

The specific purpose of this meeting was to talk over regional and individual station problems, and to establish policies for the mutual benefit of all. In consequence, among the points discussed, and upon which action was taken, was the establishment of a script exchange system and the publication of a news-letter. Also, as a result of the meeting, an investigation has been started looking into the possibility of establishing a local network between WNTC, WSLU of St. Lawrence, and WRWS of Champlain. Information and ideas pertinent to the improvement of station programming and station facilities and operation in general, were also exchanged.
